Protest Filing Report as of 08/27/2025 @ 08:29 PM

No.	Race #	Protesting	Protested	Protest Reason	Hearing/Arbitration Time	Status	Jury Decision
1.	1	Rocket Appliance (CAN 165)	Redress - Race Committee	I believe there was a scoring error. My boat, 165 finished approximately at the same time at 1012 and 1025 with 1073 several seconds behind. It appears that 1073 and 165's finish were confused.		Closed	Scoring corrected
2.	4	SELGA (CAN 1073)	Redress - Race Committee	Pin boat/mark was underway at 3 minutes and not in position. Trolling motor was not deployed, nor was an orange flag displayed. This caused confusion as to the legitimacy of the start and compromised our start due to no fault of our own.		Closed	Race abandoned
3.	4	Rocket Appliance (CAN 165)	Redress - Race Committee	Pin boat/pin mark was under motor at 3 minutes, trolling motor was not down, orange flag not raised. This caused our start and understanding of line direction/shore transit to be compromised and confused. Due to no fault of our own our start approach was compromised and start resulted in UFD.		Closed	Race abandoned
4.	4	Moor Husbands for Sail (CAN 1084)	Redress - Race Committee	Pin boat did not display orange flag until 3 minutes, resulting in confusion and compromising our start through no fault of our own.		Closed	Race abandoned
5.	1	Later Man (CAN 270)	Sharkbait VS (CAN 367/33)	On the spinnaker run called the boat up he did not go up multiple repeated requests and causing us to lose two boats		Closed	Protestor withdrew protest -
6.	6	We Don't Need Roads (CAN 444)	Trivial Pursuit VS (CAN 1758)	Boat 1758 was on port and we were on starboard. We hailed 3 times and when it became clear they were not going to avoid a collision, we tacked onto port to avoid contact. We would have collided middle of their boat. They then tacked after we tacked.		Closed	1758 took a 30 percent penalty following an arbitration meeting
